

FREEDOM FROM PORNOGRAPHY

SAT 31ST JAN
& 1ST AUGUST 2015

Ellel Ministries
Pierrepont, UK

How do we deal with someone in our local church who confesses to an addiction to pornography?

What do we do if we suspect that a member of our family or someone close to us has a problem with it?

Is there help once we are hooked?

The prevalence and strength of pornography has been growing worse over the past forty years. With the advent of the internet it has increased at an alarming rate. Once someone gets lured into pornography in any of its many guises it can be extremely difficult to get free. However, in Jesus there is complete healing and freedom from pornography! This course will look at the biblical view of this addiction and God's way for people to get free from it.

Testimony from a previous delegate: *"I was crying out to the Lord for many years about my addiction to pornography... I was desperate and nobody seemed to have any answers. It was the understanding that I gained at Ellel Ministries which started me on a path to freedom and I can't thank God enough for setting me free! Now I don't have to struggle every day with guilt and shame - I am free to live out my calling."*

Price per person: £35 (Tuition only)
