## The Big Picture - *Exploring God's Foundations for Life* ([Explore A1](#))

**8<sup>th</sup> –9<sup>th</sup> June 2019**

[8:30 am to 4:30 pm](#)

All of us are born with questions about life and eternity etched deep in our hearts. We have a God-given need to find out why we are here on earth and what life is meant to be all about. In today's fast-changing world, full of confusing voices, this need for solid truth to build our lives on is even more necessary than ever.

This course answers life's foundational questions from a solid biblical perspective - perhaps in a way that you have never heard God's story explained before. We will look at the sweep of history from the early days in Genesis until the Lord's return in Revelation. You will understand better where we come from, how humankind got to be in this mess and perhaps most importantly, you will understand more of God's amazing rescue plan for humankind. Not only has God saved you, He also wants to heal you and set you on the right course to fulfil His destiny purpose for our lives! The Big Picture will help you lay hold of God's plan for your life and we trust it will be a catalyst for you to start being released with 'strength for today and bright hope for tomorrow!'

## Knowing God - *Exploring the Character and Nature of God* (Explore A2)

**6th – 7<sup>th</sup> July 2019**

8:30 am to 4:30 pm

For many of us there can be a disconnect between knowing about God and truly knowing God in our hearts. We read the scriptures and see that God wants us to know Him but we are not sure how to enter into that deeper place of knowing and relationship.

This course is all about helping us come to know more of God and connect to Him in a deeper way. It is designed to provide an opportunity to look deeper at His character and nature and explore how we can have an intimate relationship with Him – how we can experience Him and know more of Him in our lives. It will also seek to deal with the blockages we have in knowing God the way He really is and to understand the reasons why some of those blockages exist. There will also be an opportunity to receive more of the Holy Spirit in our lives.

## God's Master Key - *Exploring the Power of Forgiveness* (Explore A3)

**10<sup>th</sup> -11<sup>th</sup> August 2019**

8:30 am to 4:30 pm

When Jesus spoke from the Cross, "Father forgive them", He released to humankind an immensely powerful key for restoration from the bondage of pain from the past. For true freedom we need not only to receive God's forgiveness for our own sinful actions but we need to extend forgiveness to all those who have hurt us, however difficult this may be.

Forgiveness is a Kingdom principle which is pivotal to the healing ministry of Jesus, so in this course we will explore the damage caused when there is unforgiveness and judgement of others, we will investigate the many challenges of applying this key, and there will be opportunity to receive God's healing for areas of unresolved inner wounding. Without doubt, countless lives have been totally transformed by God as people have lived out the consequences of applying the key of forgiveness.

## Free Teaching - Healing God's way

**7<sup>th</sup> September 2019**

8:30 am to 4:30 pm

## Lost & Found - *Exploring the Remedy for Rejection* (Explore A4)

**14<sup>th</sup> -15<sup>th</sup> September 2019**

8:30 am to 4:30 pm

If there is one thing that would really change our sense of well-being it is to know that we are unconditionally loved and accepted. The scriptures tell us that God loves all He has created and that when we accept Jesus as our Saviour we are fully part of God's family again. So why do we find it so hard to personally accept this truth? Even when we are Christians, why do we sometimes feel as if we are still lost sheep who desperately desire and need to be found and embraced by the Good Shepherd?

This Explore course will look at how the first rejection came into the world and how in a Fallen world we can become fixed in our false beliefs about our own acceptability. If we can grasp the truth of who God is and who we really are then our lives will undoubtedly be transformed.

## God's Enemy Exposed *Exploring Healing through Deliverance* (Explore A5)

**12<sup>th</sup> -13<sup>th</sup> October 2019**

8:30 am to 4:30 pm

The Bible tells us not to be ignorant of the enemy's devices. God's word sheds light on who our enemy - God's enemy- really is and how he seeks to work in this world and in our lives. In this very real spiritual battle we need to know how God wants to help us live in freedom and victory, something which is only possible because of Jesus' work on the cross.

In this course we look in detail at what the Bible explains about Satan and the demonic. It brings a fundamental understanding of spiritual warfare and of possible enemy strongholds in a person's life. Jesus came to set the captives free and this course helps with learning how to start stepping into the spiritual freedom through deliverance that Jesus wants to bring to all of us.

## Inside Out - *Exploring Inner Damage and Healing* (Explore A6)

**November 9<sup>th</sup> -10<sup>th</sup> 2019**

8:30 am to 4:30 pm

God is our Creator and Designer. He knows each person individually and loves each one unconditionally. But despite His great love, living in a Fallen world has often led to circumstances which have damaged and distorted the working of our inner being. When we are affected in this way we will often reflect, in our lifestyle, the turmoil on the inside.

In this course we will investigate how God made each person and how the various parts of our being work together to develop the whole personhood. Together we will explore how the inner being is adversely affected by past experiences and consider some of the possible outworking of inner damage and the associated pain.

As our Maker, God has the perfect restoration plan for each precious one of His children. This course will explain both how to untangle some of the causes and effects of inner damage and how to apply God's truth and His restorative love and power into the lives of those who need inner healing.
