**In His Image: Exploring Healing through Creative Expression**

This is not so much a course as an experience! Join with us over this special time and experience for yourself God's healing heart through creativity.

**Unique: Exploring Our God-Given Identity**

With God's help, this course seeks to help us find the truth of who He made us to be, discard our false identities and find an abiding, confident and personal certainty that we are loved, forgiven and accepted by God.

**God's Plumbline: Exploring how to Recognize and Avoid Deception**

# About Ellel Ministries...

The work of Ellel Ministries began in 1986 at Ellel Grange in the Northwest of England. Ellel Ministries is a non-denominational Christian organization that has a heart to see God's people become all that He created them to be - free from the holds of the enemy and the affects of the past.

What we do is summed up in the phrase '*Bringing the heart of God to the heart of man*' and Luke 9:11 where Jesus welcomed the people, taught them about the Kingdom of God and healed those who were in need. Ellel Ministries is now in its 31<sup>st</sup> year and is established in over 40 countries around the world including the USA.

## The Work in the USA...

In May 2005 Ellel Ministries purchased 140 acres of beautiful land, called English Acres, near Tampa, Florida.

The vision is to build a residential training and ministry center which will be the headquarters of the work in the USA. Currently we hold a full schedule of events at the base which are aimed at equipping Christians to meet the needs of hurting and broken people, and also to offer prayer ministry to those in need. In 2020, we have launched a brand new work in Peoria, Illinois. We are also involved in church visits and conferences held across the United States.

We are preparing to build facilities that will allow us to hold longer-term training in healing and discipleship. The vision for Ellel Ministries USA to also reach out to the Spanish speaking communities of both the USA and South America is entering its preliminary stages as we translate the Ellel teachings into Spanish and explore opportunities in Argentina, Suriname, Panama, and various Caribbean Island Nations. Please contact us to find out more about this vital ministry.

Ellel has changed my life, my marriage and my church! The truth that Ellel teaches has been missing from the church for generations! When Jesus said: 'It is finished!' His declaration was so much more than just our salvation! He was declaring healing in our body and deliverance for our soul! We have been partners with Ellel ministries since they first came to Florida almost 10 years ago! We are so thankful the Lord brought them to us! America needs what Ellel teaches! - *Pastor Len Harper, Overflow Church*

## What does 'Ellel' mean?

Ellel Ministries took its name from the first building acquired for the work - Ellel Grange. The name Ellel means "All Hail" in Old English, "God of Gods" in Hebrew and "Love flowing outward" in ancient Cantonese. So Ellel could be said to mean "All hail Jesus, King of Kings and Lord of Lords" and be expressed as "Love flowing outward" into a fallen and broken world.
