

EXPLORE ONLINE AND DUAL PROGRAMME (2021) – ONLINE, AND/OR LIVE ON BASE

The Explore Programme is a discipleship and healing programme developed and presented by Ellel Ministries that has touched and changed many lives. It is run on a Friday evening, and Saturday day. With the easing of Covid-19 Regulations, the format has been revised to give delegates the option of either attending ONLINE via Zoom on both the Friday and Saturday ("EXPLORE ONLINE") or attending via Zoom the Friday, and live on base at Shere House the Saturday ("EXPLORE DUAL").

Explore Dual will run the Saturday option on base, subject to Covid Regulations at the time.

Why Explore?

In these unprecedented times where we find ourselves facing the pandemic of COVID19, there is a deep cry in each of our hearts to truly connect with God. As a ministry we recognize that face to face interaction is ideal but we trust God to use technology in a way that brings the Word and Spirit together in the application of the teaching.

This programme is now presented online in the comfort and safety of your home to discover His amazing love personally and to allow Him to transform our lives so that we can follow Him without restraint.

Should you however wish to connect on a more personal level, then you are welcome to attend the Saturday part of the course live on the base at Shere House, affording opportunity to attend the teachings, and encounter the Lord in the practical sessions in our lovely grounds. (This is subject to Covid Regulations at the time)

If this echoes the cry of your own heart or you desire to help others to discover this for themselves, then EXPLORE is for you!

What is EXPLORE?

The Explore is a year programme consisting of a series of courses designed to train and equip God's people through a journey of transformation and consists of a part A and B. Delegates start with Explore Part A proceed to Explore Part B.

Together we will find that there is hope and help for the issues which we struggle with: Everyday issues like anxiety, stress, physical pain, emotional distress, problems in relationships, addictive behaviour and depression to name just a few. We will also discover what it really means to live with God in a closer relationship.

Those who journey through Explore will also be equipped with keys in healing and discipleship to help meet the needs of others.

What is different between normal Explore and Explore online or dual?

Explore Online is presented through the use of technology, the Zoom platform, where Explorers can join remotely for the Friday evening, and Saturday day. Explore Dual will run online the Friday night, and live from the base the Saturday day. (This is subject to Covid Regulations at the time)

Like the former residential EXPLORE Programme each of the events in the series will include time for worship, biblical teaching, personal reflection, creative activities, group time and some corporate ministry.

How will it help me?

The modules have been selected to provide teaching and understanding in manageable units, as well as inspiring and encouraging personal growth, healing and restoration. This is vital for equipping God's people to minister His healing power and love out of a real understanding and personal experience.

Many who have completed the programme have discovered that their walk with the Lord has been enriched and their relationship with Jesus has deepened. Additionally, others have found that their individual callings have been confirmed. A workshop at the end of part A and B of the Explore Programme will give delegates further opportunity to learn and apply principles of the healing ministry.

EXPLORE A3 – God's Master Key 6-7 August 2021

EXPLORE A4 – Lost and Found 3-4 September 2021

Even though the Bible tells us that God loves all He has created, and that when we accept Jesus as our Saviour we are fully part of God's family again, we can still find it so hard to believe. In this course we will investigate how God made each person and how the various parts of our being work together to develop the whole person-hood. EXPLORE A7 – Connected 3-4 December 2021

When God made us in His image, He made us relational human beings, created to live in dynamic relationship with both Himself as well as one another.
