ADVANCED PRAYER MINISTRY SCHOOL 2017

'Jesus **WELCOMED** them and **TAUGHT** them about the kingdom of God, and **HEALED** those who needed healing.'

LUKE 9:11

CONTINUE IN YOUR JOURNEY OF DISCIPLESHIP, HEALING, AND LEARNING TO MINISTER IN JESUS' NAME

Advanced Prayer Ministry School has been designed as a follow-on for those who have completed Prayer Ministry School or another Ellel training school.

This series aims to go more deeply into known subjects as well as looking at further areas of ministry. It will include practical time for applying what you have previously learned and the opportunity to grow in confidence in prayer ministry. There will also be another opportunity to participate in a Healing and Deliverance Workshop at the end of this series.

Many have testified that the Prayer Ministry School series has not only given them insight into ministering to others, but has also led to personal healing and breakthroughs in their own relationships with God.
