TRANSFORMATION & EQUIPPING

## EXPLORE

# EXPLORE PROGRAMME

One weekend per month

## EXPLORE

is a discipleship and healing programme developed by Ellel Ministries. This is the new version of the Modular School.

## WHAT IS "EXPLORE"

Explore is a series of weekend courses designed to train and equip God's people through a journey of transformation. Ellel Ministries aims to bring Word and Spirit together in the application of teaching and ministry.

Together we will find that there is hope and help for the issues we struggle with in everyday life – issues of anxiety, stress, physical pain, emotional distress, problems in relationships, addictive behaviour and depression to name just a few. We will also discover what it really means to live with God in closed relationship, and for God as part of His Kingdom family.

Those who journey through EXPLORE will also be equipped with keys in healing and discipleship to help meet the needs of others.

Each of the events in the series will include time for worship, biblical teaching, group discussion, activities, and opportunity for prayer ministry, personal reflection and fellowship.
