**BRINGING THE HEART OF
GOD TO THE HEART OF MAN**

ellel.org/uk

Have you been prayed for repeatedly for the same issue and yet it never seems to shift? Or do you feel like you've been going round and round in circles without any lasting freedom?

Maybe you've found that a simple prayer works temporarily, but the problem keeps cropping up. We have found that people can come for prayer with a problem they have had for many years and - though they try - they seem unable to shake it. Though the symptom might temporarily go away, it seems to come back repeatedly. We believe this is because the root of the problem has not been dealt with and unearthed.

If a tree's roots are planted in unhealthy and damaged soil then there will be bad fruit. Some examples of bad "fruit" in our lives can be jealousy, inability to commit, addictions, and even physical sickness. These issues are not the deepest problem, but rather are an expression of a deeper problem - the root. If someone has received much prayer for a problem yet it still remains, there could be a deeper seated root.

God knows the foundations of your being and the key areas that have affected your life, and on this course you will learn how to get to the bottom of life's issues. Only when God goes to the root of the problem and brings healing will you truly be free from the fruits that plague your life.

This special course gives an opportunity for teaching and ministry into areas such as Forgiveness, Personal Sin, Generational Iniquity; Blessings and Curses; Inner Truth, and Core Lies.

Ellel Ministries is an organisation with the primary purpose of teaching the principles and practice of traditional biblical Christianity.
