

Mark 4:20 Others, like seed sown on good soil, hear the word, accept it, and produce a crop — some thirty, some sixty, some a hundred times what was sown."

Grow your CHURCH MEMBERS into **EFFECTIVE** **DISCIPLES!**

Jesus said, "Make disciples," but interpreting this command has been varied.

Growing Seeds Discipleship Training

is ideal for small groups, cell/life groups, prison ministry or after Alpha and may just be what you are looking for. Take your Church to new spiritual heights by equipping and maturing group members to become effective disciples and teaching them how to disciple others.

What is Growing Seeds Discipleship Training?

Growing Seeds is a two part DVD series, each consisting of 18 X 30 minutes of practical but powerful teachings, presented by Peter Horrobin, Founder and International Director of Ellel Ministries.

GROWING
seeds

These short teachings...

followed by discussion and personal prayer will promote life changing growth in individual's lives. Both volumes are bible based providing a stable foundation for Christian living. A great start to your equipping programme.

One user said...

Our group was really taken by the fact that we are either living for God or for the enemy, there is nothing in between. We have been challenged regarding what we are doing with the time in between being born again and going to be with the Lord. Becoming disciples of the King has really stood out for us. My life group is enjoying the series, Peter has a way of putting a fresh new perspective on principles we are aware of.
