WHO WE ARE...

Ellel Ministries is a non-denominational Christian ministry that began in England in 1986. It is now established in over 25 countries around the world. It exists to bring God's healing love to those who are struggling with life's issues, and to provide extensive training for those seeking to minister effectively to others.

Many in the church feel that there is no real answer to the problems they face on a daily basis - such as fear, anxiety, addictions, anger outbursts, long-term consequences of trauma or abuse and relationship dysfunction.

Ellel Ministries is committed to both healing and discipleship, recognising that these are two sides of the same coin. God is in the business of restoring His people and equipping them to fulfill their destiny as true disciples of Jesus. For over 30 years Ellel Ministries International has had the great privilege of seeing God transform thousands of lives around the world.

BRINGING THE HEART OF GOD TO THE HEART OF MAN

Over the years these words have become central to the way we express what we are trying to achieve as Ellel Ministries. In this short article, Andy Taylor (UK & Ireland Director) shares the significance of this phrase and its connection to the Great Commission that we are all called to.

“Go therefore and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, teaching them to observe all that I have commanded you. And behold, I am with you always, to the end of the age.”

Matthew 28:19-20

Imagine you have an incredibly important job to do - one which could literally mean the difference between life and death!

Now imagine you have to recruit someone to do that job for you. If you're sensible you'd think pretty hard about who to ask and make sure you ended up with the best possible candidate. Their CV would need to be in top shape, their references would need to be impeccable and a flawless track record would be a minimum requirement.

“THE GREAT COMMISSION ISN'T THE GREAT TO-DO LIST OF THINGS WE HAVE TO DO FOR GOD - IT IS A CALLING TO BRING THE HEART OF GOD TO THE HEART OF MAN.”

With that in mind think for a moment about what Jesus entrusted to His disciples just before returning to Heaven. They had been following Him around as He taught about God's Kingdom and performed the most amazing miracles, but now He was asking them to continue His work and to instruct others to do the same. It must have been a scary moment when they realised He was serious!

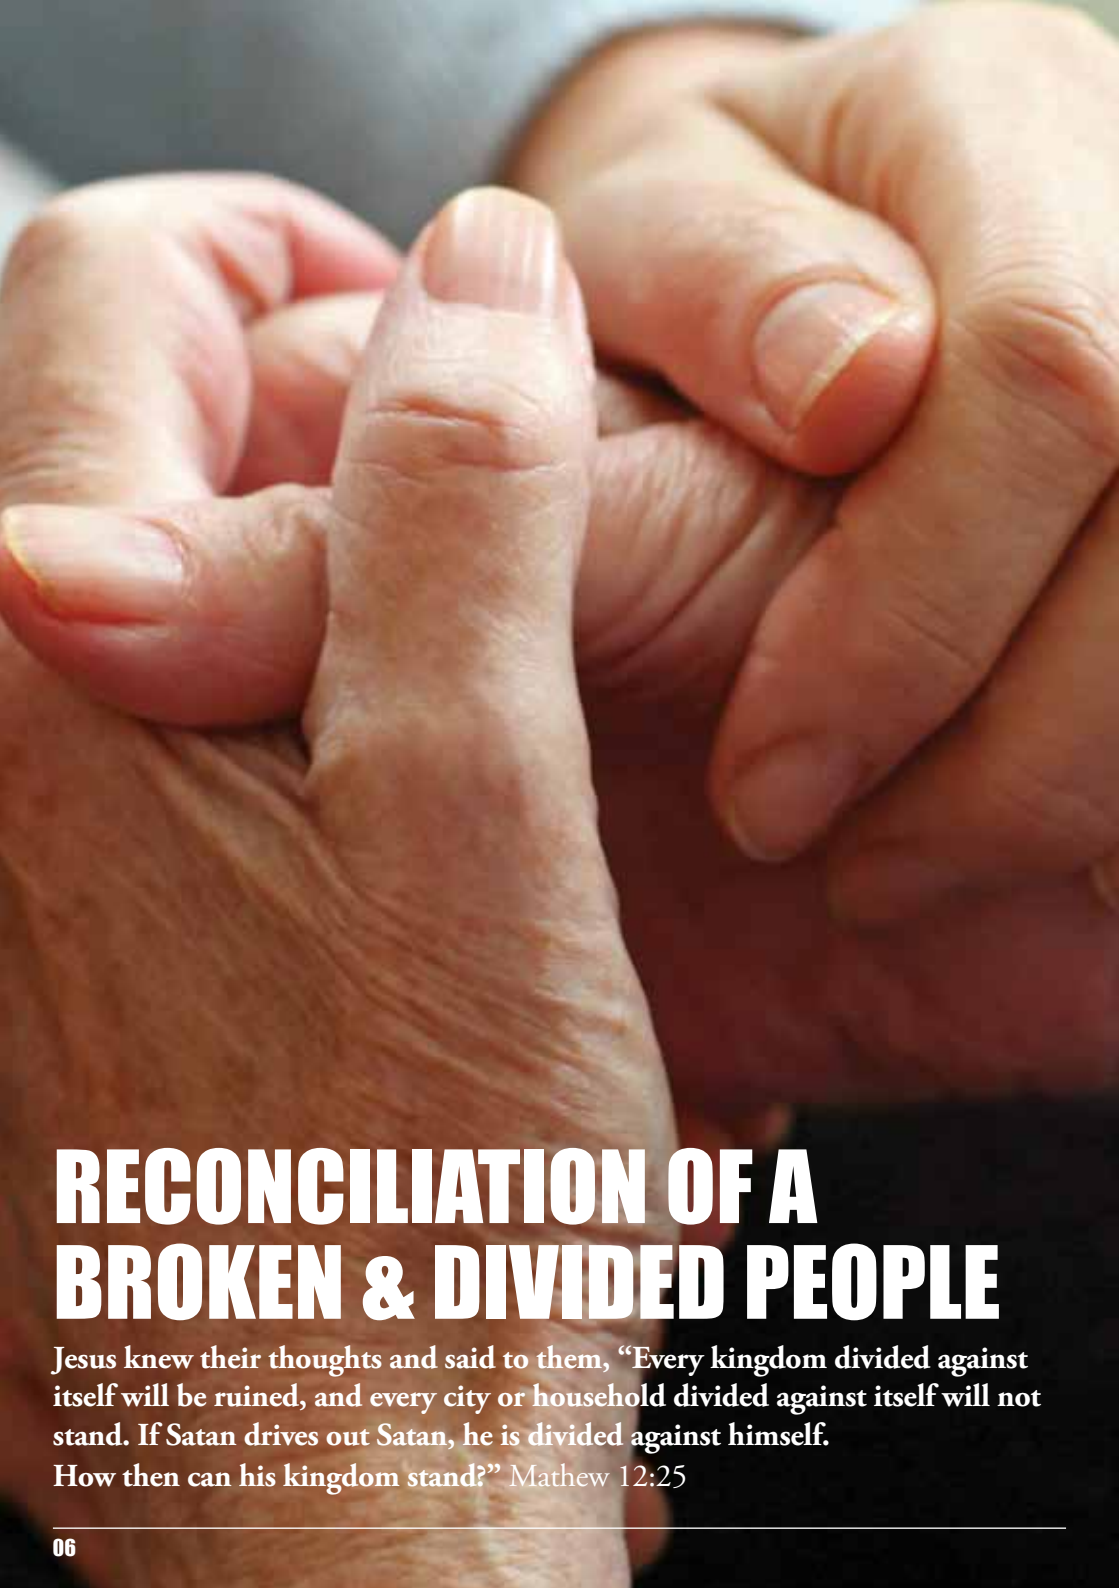

The Great Commission, the job of reaching the lost around the nations and making disciples, was entrusted to a bunch of very ordinary people. People with flaws, fears, issues and insecurities - people like us!

Think about it some more and you'll realise that it is even more awesome than you first imagined. You see, Jesus wasn't just a great public speaker. He wasn't just someone that could open blind eyes and cause a lame man to walk - He was the One who came to point the world to the Father. Everything He did was designed to draw people to the heart of God and it was only through that encounter that real change took place.

So, the Great Commission isn't the 'great to-do list' of things we have to do for God - it is a calling to bring the heart of God to the heart of man. Whether we are reaching those who have never heard the Gospel or are trying to help those who have been Christians for decades, our calling is to draw that person closer to the heart of God. That is the place of true transformation. That is the place where we end up responding by giving our whole heart back to God as our offering to Him.

This is our aim and our passion at Ellel Ministries - to help people to connect to the heart of God in a new way. To help them deal with the issues in their life that hold them back and to enable new life - abundant life - to flow. May the Lord help us all as we respond to His incredible call to bring His heart to the heart of man. ■

Andy Taylor (UK & Ireland Director)

God has called Ellel Ministries to hold up a scriptural plumb line, to bring healing to broken hearts and to set captives free, in both Northern Ireland and the Republic of Ireland. The work in Ireland is led by Jim and Irene Murdock.

Jim writes:

We can be so busy that we miss the bigger picture and the amazing work that God is doing through Ellel Ministries in Ireland.

We have just completed our fourteenth healing retreat, and during one of the last sessions I paused and looked around me at what was happening before my eyes: I saw God's heart in motion, bringing His reconciliation to the broken and divided people of this nation. It was actually happening in that very room.

Historic Nationalists and historic Unionists were unburdening their pasts and the deep issues of their hearts to one another, praying and appropriating the reconciling work of the Cross of Christ for each other. It reminded me of Ephesians 2:16:

"IT WAS ALSO CHRIST'S PURPOSE TO END THE HATRED BETWEEN THE TWO GROUPS, TO MAKE THEM INTO ONE BODY AND TO BRING THEM BACK TO GOD. CHRIST DID ALL THIS WITH HIS DEATH ON THE CROSS."

They were discovering that no matter what label they had hidden behind in the past: Catholic or Protestant, Nationalist or Unionist, their needs were exactly the same for healing of inner brokenness and freedom from captivity and bondage. What an amazing God, that He has called most of our ministry team from the Republic of Ireland, and has them regularly tenderly ministering the love of God in the

North. As my wife, Irene, was out in the car park on the same day, she too captured the excitement of what God was doing as she looked around at the registration plates: half the cars had Northern Ireland number plates and half had Republic number plates!

What we do may never make national headlines. In fact this ministry is quite hidden away, and is to so many, insignificant. But God is doing something of Kingdom transformation through Ellel Ministries in Ireland that is very exciting, through our Healing Retreats and Modular School.

We continue to hear many precious testimonies of people, not only dealing with their own brokenness, but also being released from the bondage of their generational sectarianism, which has been so firmly established in both communities through covenant. The fruit only becomes good when we deal with the bad root. It is such a privilege for us to be involved in this ministry which we believe God has raised up with keys to bring genuine transformation in our nation for Christ's glory. ■

RECONCILIATION OF A BROKEN & DIVIDED PEOPLE

Jesus knew their thoughts and said to them, "Every kingdom divided against itself will be ruined, and every city or household divided against itself will not stand. If Satan drives out Satan, he is divided against himself.

How then can his kingdom stand?" Mathew 12:25

REVELATION 12:11

AND THEY HAVE CONQUERED HIM BY THE BLOOD OF THE LAMB AND BY THE WORD OF THEIR TESTIMONY, FOR THEY LOVED NOT THEIR LIVES EVEN UNTO DEATH.

Alan was in a very dark place in 1990, having spent most of his childhood living in confusion over his identity, wishing he had been born a girl.

He found all of his fears came true when he was molested by a man when he was just 11 years old. As he grew up, Alan found himself drawn to and then locked into a secret fantasy world of cross-dressing; a lifestyle that opened the door for darkness to affect every area of his life.

Alan soon found normal relationships impossible, his school-work deteriorated and he became painfully self-conscious and fearful of being found out.

At the age of 19 Alan found God but continued in his enormous struggles and eventually he turned away from God under the huge conflict of his secret life and the life God wanted for him.

“MY EYES FILLED WITH TEARS AS I THOUGHT OF THE LOVE OF MY HEAVENLY FATHER, A LOVE THAT HAD NEVER GIVEN UP ON ME.”

He lost his job and was placed under a psychiatrist having suffered a breakdown. The next eight years were a very dark time of unemployment and living in a small bed-sit; still in a very confused state regarding his identity. He was even accepted to begin treatment towards having a sex-change operation.

It was at a Carol Service at a local church that God met with Alan once again, offering him love and acceptance despite all. That night was a tumultuous night as the powers of darkness fought hard to drag him back but Alan experienced the miracle of Jesus setting him free from the compulsion of cross-dressing as well as giving him a new sense of worth as a son of God and also as a man.

Alan continued in his walk with God as best he could, often fighting hard but living in the grace of God and making progress. In 1990 he attended the Ellel Ministries ‘The Battle Belongs to the Lord’ conference in Brighton. He hid away in the balcony seats but he couldn’t hide from God who moved in wonderful ways in his life, setting him free from issues he had never considered before! Alan tasted something of God’s healing heart and continued attending

various events at Ellel Grange and Glyndley Manor, each time receiving more and more healing. In August 2000, Alan attended a week-long holiday school where he met Suzanne, who he found he enjoyed spending time with. They continued their friendship over email and the occasional meeting for two years before he proposed and they were married the following year.

Alan and Suzanne have both completed the Modular School and Alan has gone on to complete Modular C and now volunteers as a member of the Ministry Team at Ellel Grange. Alan himself concludes:

“Recently this year when I was at the Grange helping on a healing retreat I sat outside early one morning and thought back over the twenty years since that time in 1993 when I first came on a course, frightened and quite desperate.

My eyes filled with tears as I thought of the love of my Father, a love that had never given up on me – once I had only ever really seen myself as worthless; to be rejected, yet He had lavished His grace upon me lifting me from despair and was now allowing me to play a part in seeing others restored and healed.

I know that like everyone else I’m still on the journey of healing, still seeing places of insecurity and pain in my heart which need to be brought into the light of God’s presence but I cling to the promise that He who began a good work in me will carry it on to completion.

***Thank you Jesus!*” ■**

JESUS, ISRAEL AND THE KINGDOM OF GOD

Jesus knew their thoughts and said to them, “Every kingdom divided against itself will be ruined, and every city or household divided against itself will not stand. If Satan drives out Satan, he is divided against himself.

How then can his kingdom stand?

They said He was not empowered by God. Worse, they condemned him as being empowered by Satan!

Jesus, in full view of a large crowd, had healed and delivered a blind mute man. He could now speak and see for the first time in his life. The crowd were ecstatic. ‘Could this be the Son of David?’ they were joyfully shouting among themselves. After all, they had been taught by the rabbis that only the Messiah, when He came, would be capable of such a wonder. ‘Son of David’ was code for Messiah. (Matthew 12:22-45)

**THEY SAID HE WAS NOT
EMPOWERED BY GOD. WORSE,
THEY CONDEMNED HIM AS
BEING EMPOWERED BY SATAN!**

Among the crowd was a delegation of Pharisees from the Sanhedrin in Jerusalem. They were the ruling body of Judaism. And they were deeply disturbed by this event. They had been out to catch Jesus for a long time. Jesus was again challenging their interpretation of Scripture and they did not like it. Angrily they struggled to decide how they would respond.

They couldn’t deny what they had seen. ‘He did it by the power of Beelzebub!’ the Pharisees declared. Beelzebub was the prince of demons

according to the Philistines. These Pharisees, as representatives of the Sanhedrin, were officially declaring that Jesus’ ministry was empowered by the demonic, in spite of Jesus stating, ‘If I drive out demons by the Spirit of God, the Kingdom of God has come upon you.’

Jesus’ response stated clearly the severity of their sin and warned of the impending judgment. This is blasphemy against the Holy Spirit which is unforgiveable. But that was not all. They had the gall to request Jesus perform another miracle. ‘A wicked and adulterous generation asks for a miraculous sign! But none will be given it except the sign of the prophet Jonah,’ judged the Messiah. We have the privilege of hindsight and know he was speaking of his resurrection, but they were totally bewildered. Jesus’ crucifixion and death was the Pharisees’ triumph – so they thought.

His resurrection was His triumph and it was undeniable. Exactly forty years later the might of the Roman Empire came crashing down upon Israel, destroying the sacred Temple and the holy city, Jerusalem. Over a million Jews were killed. Thousands were enslaved and deported to Rome. The second Jewish dispersion had begun; it was 70 AD. God had judged that generation. It was déjà vu. A reminder of the unbelieving generation, who wandered for forty years in the Sinai desert, forfeiting the opportunity to enter the Promised Land. ►►

IN EVERY THING BY PRAYER & SUPPLICATION WITH THANKS

There are lots of ways in which you can join with us in the work of Ellel Ministries and we are always encouraged when God prompts someone to support us - whether it is in prayer, practical commitment or with financial gifts.

Here are some ways that you can help:

Erroneously, the Church on many occasions declared through its history, that because of this unbelief, God has forsaken the Jews, stripped them of His covenantal promises in favour of the Church. Israel is finished, they said. But Jesus was quite specific when He said that this generation, the generation of Israel's leadership in Jesus' day, was judged, and judged severely. It was specifically that generation and not every successive generation. Today, Israel is a nation among the nations and Jews are coming to faith in Jesus! ■

Rev. Murray Dixon

Following ordination in the New Zealand Anglican Church, Rev. Murray Dixon ministered as a parish pastor and then as an air force chaplain, before pioneering Prayer for Israel in New Zealand with his wife, Rosemary. He also served as the Rector of Christ Church, Jerusalem. For 20 years they led prayer tours to Israel and an itinerant teaching ministry to the Body of Messiah. Murray has also written *'The Rebirth and Restoration of Israel'* and *'Whose Promised Land?'* a history textbook for secondary schools. Murray is now on the leadership at Ellel Pierrepont.

JESUS, ISRAEL AND THE KINGDOM OF GOD TAUGHT BY MURRAY DIXON

We are living in a time when God is ingathering the Jewish people to their land in spectacular ways, fulfilling in detail what the prophets had declared long ago: they are coming from the east and the west, from the north and the south. God is also revealing Jesus to Jewish people in increasing numbers, both in the land of Israel and in the nations. And it's a time when Jesus' ministry is being seen in its Jewish context, revealing significantly deeper meaning of His teaching as never recognized since the Acts of the Apostles.

What does all this mean in the great scheme of things? The rapid rise of conflict in the Middle East, on a scale and nature beyond that of human memory, knows no boundaries. Violation of the freedom of individual choice and morality is commonplace, destroying Christian communities, Jewish communities and even Islamic communities, all accused of being enemies of God. What is this leading to? What does the Bible tell us of the future?

**Praise the Lord, O my soul; all my inmost being, praise his holy name.
Praise the Lord, O my soul, and forget not all his benefits - who forgives
all your sins and heals all your diseases.**

Psalm 103:1-5

What amazing and wonderful words these are from Psalm 103! Here, David expresses the heart of God for healing that, many years later, Isaiah prophesied would be fulfilled by the Messiah (see Isaiah 61).

In these words David is speaking to his own soul – his inmost being - and telling his soul that it is the Lord who heals all its diseases. In these words we have some precious revelation – that the origin of disease is not necessarily in our body, but can also be rooted in our soul!

“IS GOD TELLING US SOMETHING VERY RADICAL HERE, THAT THERE ARE SOME DISEASES THAT BEGIN WITH A CONDITION OF THE SOUL BEFORE THEY BECOME EVIDENT IN THE BODY?”

When we think about a person having a disease we normally think about a bodily condition, but is God telling us something very radical here, that there are some diseases that begin with a condition of the soul before they become evident in the body?

And could it be, also, that some physical diseases have their origin in unforgiven sin as well? For David then says in verse 3, still talking to his own soul, that God “forgives all your sins, and heals all your diseases”. This would certainly accord with what James advises us when he says, “Confess your sins to each other and pray for each other so that you may be healed” (James 5:16).

Understanding that what is happening in our soul can be the instigator and carrier of disease, opens the doors to a lot of other possibilities. One of which is the effect of trauma on our health.

In the early days of the work God taught us that when people have suffered an accident, it is not just the body that suffers the injury - the soul also carries the pain of the injury. God then showed us that where the trauma of the soul isn't healed, then the body can suffer long term symptoms as well. On hundreds of occasions now we have seen how when the inner trauma is healed, that the physical healing of injuries still felt in the body can then follow.

It's a logical next step to be asking the Lord how unhealed trauma can be the origin of more than the unhealed physical injuries caused by an accident, but other diseases of the body as well. I'm looking forward to exploring this challenging topic in an exciting new course at Ellel Grange in January 2016. ■

Peter Horrobin (International Director)

Peter will be sharing on this vital subject over a special weekend at Ellel Grange called Healing from Trauma and Disease. More details can be found on page 9, online or by calling Ellel Grange for more information. Early booking is recommended for this event.

ELLEL NEWS

A SPECIAL THANKYOU TO JILL

We want to say a special thank you to Jill Southern-Jones for more than 20 years of faithful service, pioneering and then directing the work at Ellel Pierrepont.

She has led the work at Pierrepont with inspiring levels of faith and passion and many have been blessed by her leadership and teaching. The story of Pierrepont is a miraculous one indeed and you can read all about it in Jill's latest book *'The Miracles of Pierrepont'*. At the end of this year, Jill will be handing over the directorship of Pierrepont to Paul and Diane Watson but will remain on the Executive Leadership of Ellel Ministries. If you don't know who Paul and Diane are, here's a little introduction:

Back in 1997, Diane Watson was the first NETS student to arrive at Pierrepont from Australia for the start of the first ever NETS school. Before coming, God had already shown her that a large Christian retreat centre called 'Gilbulla' would become an Ellel Ministries centre in Australia and that He was calling her to be its first leader. She doubted her own ability to take on such a role but travelled to England for NETS anyway. In 2002 Gilbulla was purchased and Diane was appointed as the director.

Paul had been ordained in the Anglican church in 1990 and had ministered in three different parishes. In 2002 he came to Pierrepont for NETS and felt God was calling him to work for Ellel Ministries. Paul has faithfully served on Ellel's Executive Leadership team for the last 9

years and is now Ellel Ministries' Regional Director for Australia, the Pacific and the Indian subcontinent.

They have 4 adult children and 6 grandchildren. They both felt God's leading in the call to Pierrepont and are looking forward to getting to know and working with all the people that make Pierrepont such a special place. We look forward to welcoming them! ■

RWANDA

GOD'S HEALING OF THE PEOPLE

Rwanda is often referred to as "the Land of 1000 Hills" but on almost every beautiful hill there was bloodshed.

During the 1994 genocide, over 1 million tutsi people were killed in about 100 days. At Ellel's first event in Rwanda, the now retired Rwandan Archbishop Emmanuel Kolini made this comment: *'We are a traumatized Church trying to heal a traumatized nation... we need this ministry in Rwanda.'*

Following 6 years of short term missions from Ellel South Africa the work of Ellel Rwanda was established in 2013. It is led by Lambert Bariho, a Rwandan citizen and his wife Catherine and they have witnessed wonderful miracles as they serve Rwandans in this significant season of the country's history.

Ellel Rwanda aims to walk alongside the church and be an instrument of God in the transformation of individuals, churches, communities and the nation through bringing the healing of Jesus to 'the one and the one'. Alongside a programme of courses, schools, retreats and church visits, God has powerfully used the Ellel

team to bring healing and reconciliation at community meetings held during the annual commemoration of the Genocide, as well as ministering to groups of rape survivors. We have been walking alongside the Church in Her effort to repent and cleanse the land from the consequences of bloodshed and other national and individual sins. Here is a testimony from a delegate who attended the 12 Day School in Rwanda:

"Long ago I loved laughing and talking to people. I suffered from the trauma of the Genocide and then my mother-in-law hurt me. Even though I was a born again Christian, I would reject people but during ministry time on an Ellel school I forgave the people who hurt me. I experienced the goodness of the people on the school and I praise God that I can now see others as lovely people, made by God."

The team at Ellel South Africa is committed to supporting the work in Rwanda, KwaZulu Natal and the development of Kenya and other African countries. The task in Africa is at times challenging but the Lord has proven Himself

Ellel Africa was started in 2002 by Derek and Beryl Puffett in South Africa. They had a vision to bring deeper healing and discipleship to the hurting in South Africa and other parts of the continent. Ellel Africa has grown from this vision to include work in KwaZulu Natal, South Africa and in Kigali, Rwanda, with a developing work in Kenya. One of the key aims is to equip and raise up LOCAL teams to minister to their OWN people within their own context. An important part of the ethos of Ellel Africa is to partner with the local church. ■

THE MIRACLES of PIERREPONT

JILL SOUTHERN JONES
with KATHLEEN MCANEAR-SMITH

Ellel Ministries 
Resources

This remarkable book takes you on a journey to witness two decades of the development of Ellel Pierrepont from the seed of vision, to a bare tree, into a fruitful ministry. Kathleen Mcanear-Smith helps Jill share from her heart about God's provision and calling, her service and walk of faith.

Now a thriving centre for the teaching and ministry of Ellel Ministries, Pierrepont, home of the NETS school, was once a derelict estate of the Victorian era.

Jill Southern-Jones narrates the story behind Ellel Pierrepont, from God-given visions, to its purchase and refurbishment, blossoming into a fruitful ministry. She also gives details as to how God called her into full-time ministry and shares on her upbringing, conversion, and Christian walk resulting in God leading her to Pierrepont.

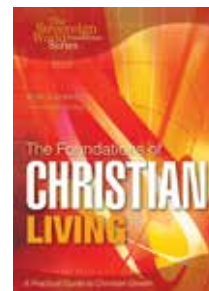

The Miracles of Pierrepont is an extraordinary testimony to God's goodness, provision, and the tenacity of His will, positioning the right people in the right place at the right time. Jill recalls Pierrepont as it was when purchased: an empty shell that had been a boys' public school, stripped bare and bathed in grime and dust. However, God promised to furnish Pierrepont and He delivered, sometimes in the most extraordinary of ways! Through prayer, patience and faithfulness the estate was renovated, cleaned, furnished and staffed. God not only provided practical

resources, but also people with long forgotten gifts who were instrumental in establishing the work; God's foresight and timing in all this is truly remarkable. The incredible works displayed in this book demand consideration of our own trust in God and reaffirm His faithfulness wholeheartedly. The book is easy to read and engaging, with each new page revealing more of God's grace. The scriptures that start every chapter and fill the story throughout, reflect how God strengthened and led Jill.

We too are able to share the spiritual journey of trust she went on and the encouragement she received. *The Miracles of Pierrepont* is bookended with chapters by Peter Horrobin and Reverend Jim Graham, as well as having testimonies from people who have been blessed by the ministry scattered throughout the book. The multiple voices give a rounded and wholesome perspective of God's work at Ellel Pierrepont.

This book is a perfect gift or stocking filler and makes a faith-building holiday read.

As well as running a variety of training and ministry events Ellel Grange also supports the international work of Ellel Ministries through corporate functions that help the centres around the world.

Ellel Grange itself is a beautiful building where there are spacious lounges, a well stocked Christian bookshop, a snooker table and a heated indoor swimming pool. It is surrounded by large grounds and pleasant wooded areas, with one of the finest collections of trees in the North of England.

The Lancaster Canal runs through the estate with lovely walks along its towpath. Within an hour or less there are areas of outstanding beauty like the Lake District and the Forest of Bowland.

We look forward to welcoming you to this special place where God meets with His children in amazing ways.

Ellel Ministries

Glyndley Manor, UK

2016 CALENDAR

Glyndley Manor is a 21 bedroom country house located in the beautiful countryside in East Sussex. It was the second centre to join the Ellel family, set on 17 acres of woodlands with beautiful gardens, a lake, various farm animals and 34 holiday cottages.

Glyndley Manor is a wonderful centre to come and enjoy one of many courses and retreats to receive God's love and His restoration.

Restoration weeks are run throughout the year giving people the time and space to allow God to meet with them personally. Through the Modular School people feel nurtured, loved and equipped as they journey together with fellow students, allowing God to bring healing and restoration in their lives.

Many families come throughout the year to enjoy a holiday in the beautiful holiday cottages that are on site, giving them a well-earned rest and many even combine their holiday with a course at the same time.

Glyndley Manor is small enough to feel that you are home away from home but big enough to enjoy the privacy needed for a healing journey with Jesus. Come and see for yourself, enjoy being served while the team welcome you into the wider family.

Ellel Ministries

2016 CALENDAR

Pierrepont, UK

The vision for Pierrepont is to reach the nations with Christ's message of healing and freedom as well as training and equipping others to do the same. It is the home of Ellel's long-term international ministry training programme known as NETS (the Luke Nine Eleven Training School).

For many, NETS also means Never Ever the Same! Pierrepont is the largest of the Ellel centres with a big team of young people from all over the world.

Our stunning 35-acre estate is deep in the Surrey countryside, complete with a beautiful river walk, tennis courts and an outdoor swimming pool. It provides the perfect atmosphere for you to get away from the 'busy-ness' of life, and to meet with God as you enjoy His creation. Pierrepont also offers a variety of accommodation for more than 100 guests, ranging from single en-suite rooms to shared dormitory accommodation.

Pierrepont has a large library and a well-stocked Christian bookshop. It is located about an hour south of London and is less than an hour's drive from both Heathrow and Gatwick airports.

Every year, thousands of Christians attend our events and many testify to having been significantly impacted by the teaching and ministry in a real, life changing way.

Ellel Ministries 2016 CALENDAR

Ireland

There have been many prophetic words spoken over Ireland. They resonate with a personal picture God gave to Jim, confirming that it was God's heart to bring revival in the land but the delay seemed to be that God was looking for a people, becoming healed from the past, in whom He could anchor what He wants to do in Ireland in the future.

We believe that Ellel Ministries has been called to Ireland for this purpose, holding up a scriptural plumb line and with a mandate to bring healing to broken hearts and to set captives free, calling the church back to a new trust in the Word of God.
