

*"This is such a place of tranquil safety. From the moment we were picked up, to the last minute of leaving Blairmore House I felt so blessed, loved, cared for - body soul and spirit. This was a time where God touched me deeply. I feel greatly encouraged for the next season of my life. I no longer feel apprehensive, nervous or fearful of my future."*

#### BLAIRMORE HOUSE

Blairmore House is a beautiful and comfortable country house, gorgeously restored with many lovely features. Many guests comment on the sense of the presence of the Lord in the house. It is a perfect place to find peace and restoration.

#### ABOUT ELLEL MINISTRIES

Ellel Ministries is a non-denominational Christian mission organisation established in 1986. It's primary purpose is to provide training and personal ministry in Christian healing and discipleship, fulfilling the commission of Jesus to preach the Kingdom of God, heal the sick and set the captives free.

#### OUR BASIS OF FAITH

God is a Trinity. God the Father loves all people. God the Son, Jesus Christ, is Saviour and Healer, Lord and King. God the Holy Spirit indwells Christians and imparts the dynamic power by which they are enabled to continue Christ's ministry. The Bible is the divinely inspired authority in matters of faith, doctrine and conduct and is the basis for all teaching.

BRINGING THE HEART OF  
GOD TO THE HEART OF MAN

**ellel.org/uk**

“Operation Blairmore: Caring for the Shepherds is one of the most precious hidden gems in the Body of Christ.”

**Blairmore House, the home of Ellel Scotland, is a place of healing and restoration for pastors and leaders from around the world, especially those who are struggling in difficult personal situations, or those who have become exhausted in the battle and are desperately in need of rest and recuperation.**

### RESTORE

‘Operation Blairmore’ is a 12 day Retreat, which gives opportunity for complete rest, support, care and personal prayer ministry for those in key, full-time positions of leadership within a church, Christian organisation or business.

### REFRESH

These specially designed retreats are not intended merely as holiday breaks away from everyday life, but as time given to God for Him to work deeply in the lives of those who attend.

Placing a high value on confidentiality and loving care, our vision is that each attendee meets with God in a new and precious way.

### RE-ENVISION

Set in the comfort and beauty of Blairmore House, Operation Blairmore retreats are not built around a structure of formal meetings. They are led by experienced Ellel leaders and simply offer space, time and care to facilitate God’s restoration for your whole being: body, soul and spirit.

If you are in need of personal restoration or you are seeking the Lord for direction and renewed vision for your life and ministry, these specialised leaders’ retreats may well be the answer to your prayers.

### THE BENEFITS

To ensure a peaceful environment and an optimum opportunity for quiet reflection, for plenty of rest and times of personal prayer ministry (if required), these intimate retreats are limited to around twelve guests on each occasion.

We aim for excellence and we give the very best to you with a sincere desire to bless those who are serving the Lord and are in need of recuperation, so that they can be refreshed, restored and ready to return to their place in Kingdom service.

“Come all who are thirsty, come to the waters...”

Isaiah 55:1

### THE TRUE VALUE

The true value of these retreats far exceeds any financial outlay, as the many extraordinary testimonies show. In order to continue offering this precious resource to God’s people we ask for a subsidised contribution of £550 per person (£900 per couple), although the actual cost to the ministry is somewhat higher.

We anticipate that your sending church/ fellowship/organisation or personal sponsors would help meet this cost on your behalf, enabling you and them to benefit from this unique opportunity. However we would never want finance to become a restriction that might prevent someone attending an Operation Blairmore retreat, therefore a limited sponsorship fund is available. If needed, please request consideration for this at the time of your initial application.

### WHERE AND HOW IS AN APPLICATION MADE?

All places on Operation Blairmore retreats are offered on a personal application basis and all applications are treated completely confidentially.
